presents

“Thyagaraja Ramayanam”

The Ramayana has been told for centuries by many a bard and devotee, but hardly anyone has invoked the name of Lord Rama with such a unison of lyrical beauty and musical authority as Saint Thyagaraja. We humbly bring to you a unique collaborative musical performance from the students of Carnatic Music in the bay area in a narration of the epic through several of Thyagaraja's immortal compositions.

*Conductor & Master story narrator:
Smt Subhapriya Srivatsan*
